I, \_\_\_\_\_, testify that I am shipping Texas San Antonio Laser Engraving a new Brownells BRN-4 Serial # \_\_\_\_\_ LOWER RECEIVER from my PERSONAL COLLECTION for customization. The gunsmithing work to be completed is defined as replica markings using the HK brand on both sides of the receiver, as previously authorized by Heckler & Koch. This service is being performed on a firearm from my personal collection, and will be used for personal purpose, and NOT to be resold, redistributed, or any part there of as to increase the profit from the HK brand replica markings.
